

Affiliated Networks

We offer our clients a rich network of information through our broad network of legal affiliations and associations:

MULTILAW

GPM has strengthened its international capabilities to provide clients with unprecedented and immediate access to qualified legal assistance in almost any foreign jurisdiction. As a **MULTILAW affiliate**, GPM has the resources of more than 64 independent law firms in the United States, Canada and 50 other countries worldwide, which amounts to 6,000 lawyers in 150 commercial centers throughout Asia; Europe; the Middle East; North, Central and South America; Africa; and Australia and New Zealand.

Employment Law Alliance

GPM is the exclusive Minnesota representative for the **Employment Law Alliance (ELA)**, a powerful global practice network designed to help employers effectively deal with the highly complex and rapidly changing world of employment law and labor relations. It is an invitation-only network of law firms that have distinguished themselves in the law generally, but particularly in the critical areas of employment and labor law. More than 1,000 labor and employment lawyers in all 50 states and over 150 U.S. cities, as well as international firms, are in the network and are now sharing resources through the ELA.

The Participating Group

GPM is a founding member of this association of U.S. law firms. The group was started as a way for similar-sized firms in a variety of U.S. cities to share information on law practice management. The bond that these firms share makes them a natural and trusted referral source. Participating Group member firms are located in: California, Colorado, Florida, Georgia, Louisiana, Massachusetts, Michigan, Missouri, New Jersey, New York, Ohio, Oregon, Texas, Washington, Wyoming, and Vancouver, BC.
