

Banking & Financial Services

Gray Plant Mooty's Commercial Financial Services team assists clients with a variety of legal needs, from commercial or real estate financing and private debt placement to public finance and loan restructuring. We also have substantial expertise in leasing and other commercial arrangements and have extensive national experience in agribusiness financing, franchise financing, payment systems, and instruments.

We provide sophisticated, practical, and cost-effective representation to our clients, which include banks, bank holding companies, indenture trustees, insurance companies, institutional lenders, credit companies, consumer finance companies, credit unions, and payment services providers. Our advice can help you navigate the intricacies of complex transactions to achieve the desired outcome—even when the future brings surprises.
