

trainED - Advanced Title IX Coordinator Training

July 27, 2016

Is your institution in compliance with **Title IX** and the **Violence Against Women Reauthorization Act (VAWA)**? Do you have experience with Title IX and VAWA but need to meet your annual training requirement and refresh your knowledge? Satisfy your training requirements with trainED's all-day Advanced Title IX Coordinator and Deputy Coordinator Annual Training.

Higher education institutions are legally required to provide specialized training on an annual basis on **sexual harassment, sexual misconduct, sexual assault, dating violence, domestic violence, stalking, and related topics** to employees with heightened responsibilities in these areas, such as **Title IX coordinators and deputies, investigators, adjudicators, student services and human resources professionals, administrators, and campus security personnel**.

Join us for in-depth training to satisfy these requirements, receive an update on recent changes in the law, and refresh your knowledge of your responsibilities. Participants will leave the Advanced Title IX Coordinator and Deputy Coordinator Annual Training with an up-to-date understanding of current compliance requirements and their heightened responsibilities and obligations.
