

2016 Minnesota e-Health Summit

June 07, 2016

Join Gray Plant Mooty's Health Law Practice Group at the 2016 Minnesota e-Health Summit! The summit will provide national, state, and local perspectives and stories with practical applications for a wide range of health care organizations. Among the many informative sessions offered at the summit, GPM attorneys Jesse Berg, Tim Johnson, and Julia Marotte will discuss barriers to sharing health information in Minnesota, as well as initiatives to manage and overcome those barriers.
