

# Gray Plant Mooty Banking Seminar

**May 15, 2018**

Gray Plant Mooty invites you to our annual Banking Seminar. This seminar will feature topics of interest to commercial lenders, agricultural lenders, credit officers, and senior management. As always, we will provide an interactive experience with opportunity for questions and discussion.

This year's topics will include:

- Workout process
- Agricultural finance
- 10 things every banker should know
- Commercial loan documentation issues
- Bankruptcy issues

This year our seminar will feature keynote speaker, Congressman Tom Emmer, who represents Minnesota's 6th Congressional District. In January of this year the House passed Congressman Emmer's Home Mortgage Disclosure Adjustment Act to bring regulatory relief to small community banks and credit unions across the country. During his time in office, Congressman Emmer has introduced several pieces of legislation with the goal of restoring checks and balances to the financial industry, and also serves on the House Committee on Financial Services.
