

White Collar Seminar: Responding to Government Investigations: A Practical Anatomy

October 30, 2012

Presented by: GPM's White Collar Defense team

SAVE THE DATE:

Gray Plant Mooty's White Collar Defense team will present a panel of experienced practitioners, with a 360 degree perspective, will discuss the critical issues that arise in connection with investigations of potential fraud and other alleged wrongdoing--both before and after the government decides what to do.

Topics will include:

- Managing risk and optimizing insurance coverage;
- Protecting privileged communications;
- Addressing potential conflicts of interest;
- Litigation holds, document preservation, and e-discovery.

A formal invitation and registration information will follow in September. If you have any questions about this event, please contact events@gpmlaw.com.

Time:

10:30 a.m. Registration / 11:00 a.m. - 2:00 p.m. Program with Lunch

Location:

Windows on Minnesota, IDS Center - 50th Floor, 80 South 8th Street, Minneapolis, Minnesota 55402
