*Carl Crosby Lehmann, Mark Mathison, and Abigail Crouse*

**3:00 p.m.** - Farewell

While the passage of health care reform legislation dominated the news for months, little attention has been paid to the immediate impact on those in the health care industry. Our goal is to demystify the reform legislation and how the changes will affect you and your workplace, so each of our presentations and panel discussions will touch on reform as it relates to their topic.
