

2015 Capital Circle Presentation: An Inside Look at Today's Growing Companies

March 11, 2015

Gray Plant Mooty's **Entrepreneurial Services Group** knows what is involved in starting a new business because we've worked alongside today's emerging entrepreneurs for years. We provide proactive business and legal advice and use our collective contacts and experience to help our clients succeed. Join us for lunch and presentations from five exciting companies — three first-time presenters and updates from two Capital Circle veterans.

Featured Companies:

- Andas Inc.
- CollabIP, Inc.
- ICHOR Vascular Corp

New this session, two past Capital Circle presenters provide an update on their businesses and their progress since they last presented.

- BioMagnetic Sciences, LLC
- SheerWind
